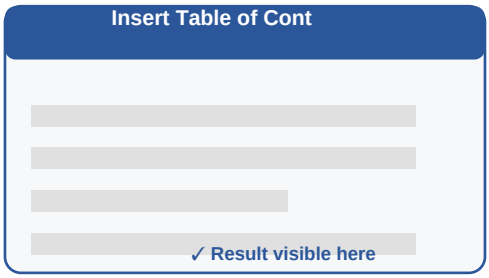
1 Insert Table of Contents

Your Task: Insert an automatic Table of Contents after the title page based on the document heading styles.

STEP-BY-STEP INSTRUCTIONS

1. Click after the title page where the TOC should appear.
2. References tab → Table of Contents → Table of Contents.
3. Choose Automatic Table 1 or Automatic Table 2.

WHAT THE RESULT LOOKS LIKE



A formatted TOC appears with clickable heading entries and page numbers. Ctrl+click any entry to jump to that section.

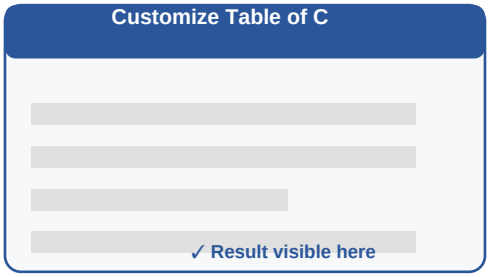
2 Customize Table of Contents

Your Task: Customize the TOC to show only Heading 1 and Heading 2 with dotted leaders.

STEP-BY-STEP INSTRUCTIONS

1. References → Table of Contents → Custom Table of Contents.
2. Set Show levels: 2.
3. Confirm Tab leader is set to dots (.....)
4. Click OK → Yes to replace the existing TOC.

WHAT THE RESULT LOOKS LIKE



The TOC shows only two heading levels with dotted leaders connecting entries to page numbers.

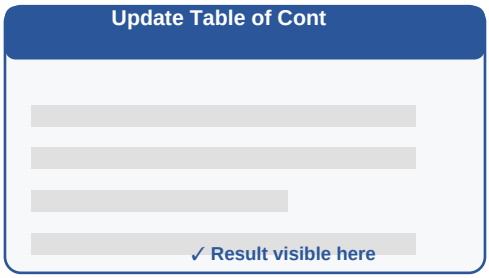
3 Update Table of Contents

Your Task: Update the TOC after making edits so page numbers and headings are current.

STEP-BY-STEP INSTRUCTIONS

1. Click anywhere inside the TOC.
2. References tab → Table of Contents → Update Table.
3. Choose Update page numbers only or Update entire table.
4. Click OK.

WHAT THE RESULT LOOKS LIKE



The TOC refreshes with current page numbers and any changed or added headings.

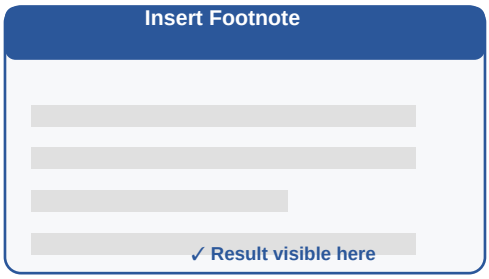
4 Insert Footnote

Your Task: Insert a footnote on the $4.2 million revenue figure citing the data source.

STEP-BY-STEP INSTRUCTIONS

1. Click immediately after the revenue figure in the text.
2. References tab → Footnotes → Insert Footnote.
3. A superscript number appears; cursor moves to the bottom of the page.
4. Type: Source: DSC Financial Records 2026.

WHAT THE RESULT LOOKS LIKE



A superscript number appears after the figure. The footnote text appears at the bottom of that page.

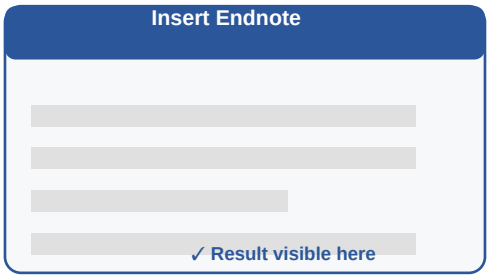
5 Insert Endnote

Your Task: Insert an endnote citing the Nevada regulatory source for the compliance policy.

STEP-BY-STEP INSTRUCTIONS

1. Click at the end of the compliance policy statement.
2. References → Footnotes → Insert Endnote.
3. A superscript Roman numeral appears; cursor moves to the document end.
4. Type: Nevada Revised Statutes Title 7, Business Associations.

WHAT THE RESULT LOOKS LIKE



A superscript Roman numeral appears in the body text. The endnote appears at the very end of the document.

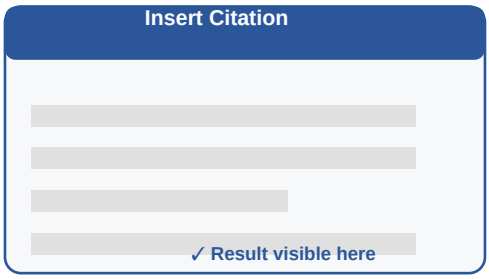
6 Insert Citation

Your Task: Add a citation for the Nevada market research data referenced in the report.

STEP-BY-STEP INSTRUCTIONS

1. Click after the market research statement.
2. References → Insert Citation → Add New Source.
3. Choose Source Type (e.g., Web site or Report).
4. Fill in: Author: Nevada Business Review, Year: 2026, Title: Nevada Market Report → OK.

WHAT THE RESULT LOOKS LIKE



A formatted citation appears in the text such as (Nevada Business Review, 2026). The source is saved for the bibliography.

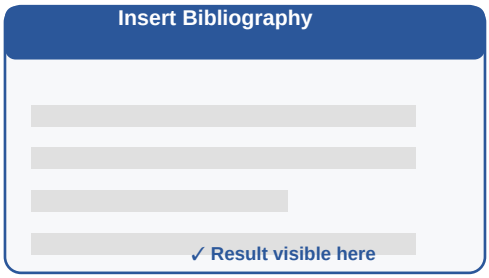
7 Insert Bibliography

Your Task: Add a bibliography at the end of the document listing all cited sources.

STEP-BY-STEP INSTRUCTIONS

1. Click at the end of the document where the bibliography should go.
2. References → Citations & Bibliography → Bibliography.
3. Choose a bibliography style from the gallery.

WHAT THE RESULT LOOKS LIKE



A formatted bibliography appears listing all sources that were cited using Insert Citation.

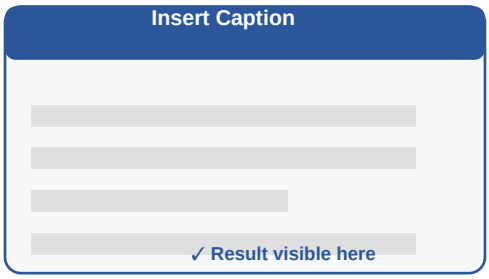
8 Insert Caption

Your Task: Add a figure caption below the quarterly revenue chart.

STEP-BY-STEP INSTRUCTIONS

1. Click the chart or image to select it.
2. References → Captions → Insert Caption.
3. Label: Figure. Type the caption: Quarterly Revenue 2026.
4. Position: Below selected item → OK.

WHAT THE RESULT LOOKS LIKE



"Figure 1: Quarterly Revenue 2026" appears below the chart. Word automatically numbers all figures in sequence.
