1 Insert Picture

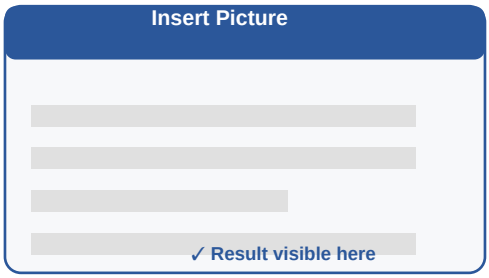
Insert →

Your Task: Insert the Desert Sun Consulting logo image on the cover page.

STEP-BY-STEP INSTRUCTIONS

1. Click where you want the image on the cover page.
2. Insert tab → Illustrations → Pictures → This Device.
3. Browse to the image file → Insert.

WHAT THE RESULT LOOKS LIKE



The image appears in the document at the cursor position and can be selected for further formatting.

2 Apply Picture Style

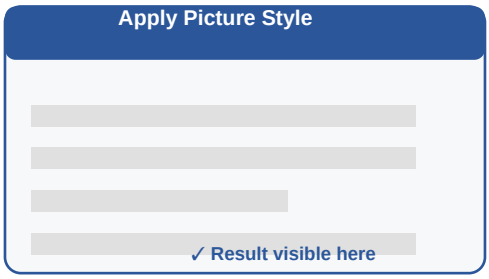
Picture F

Your Task: Apply the "Drop Shadow Rectangle" picture style to the logo for a professional appearance.

STEP-BY-STEP INSTRUCTIONS

1. Click the image to select it.
2. Picture Format tab appears on the ribbon.
3. In Picture Styles group, hover over styles to preview.
4. Click Drop Shadow Rectangle.

WHAT THE RESULT LOOKS LIKE



The image displays with a drop shadow effect. The Picture Styles group shows the applied style highlighted.

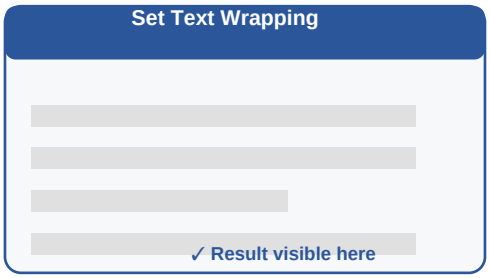
3 Set Text Wrapping

Your Task: Set the logo to use Through text wrapping so document text flows around it.

STEP-BY-STEP INSTRUCTIONS

1. Click the image to select it.
2. Picture Format tab → Arrange group → Wrap Text.
3. Choose Through (or Square for a cleaner wrap).
4. Drag the image to position it on the cover page.

WHAT THE RESULT LOOKS LIKE



The document text flows around the image. The image can now be dragged freely to any position on the page.

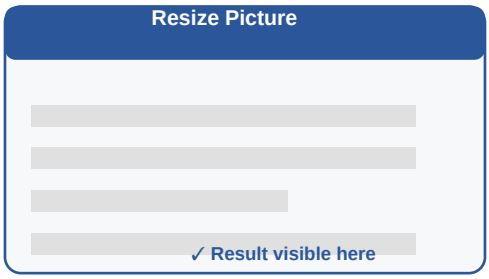
4 Resize Picture

Your Task: Resize the logo to exactly 1.5 inches tall while maintaining the aspect ratio.

STEP-BY-STEP INSTRUCTIONS

1. Click the image to select it.
2. Picture Format tab → Size group → set Height to 1.5".
3. Lock Aspect Ratio ensures width adjusts proportionally.
4. Or drag a corner handle while holding Shift.

WHAT THE RESULT LOOKS LIKE



The image is exactly 1.5 inches tall. Width adjusted proportionally — no distortion.

5 Insert SmartArt

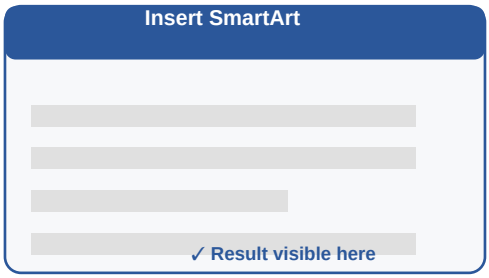
Insert →

Your Task: Insert a SmartArt Organization Chart to show the company department structure.

STEP-BY-STEP INSTRUCTIONS

1. Insert tab → Illustrations → SmartArt.
2. Choose Hierarchy in the left panel.
3. Select Organization Chart.
4. Click OK. The SmartArt appears with placeholder text.

WHAT THE RESULT LOOKS LIKE



An organizational chart SmartArt appears with placeholder boxes ready to be filled in.

6 Modify SmartArt Content

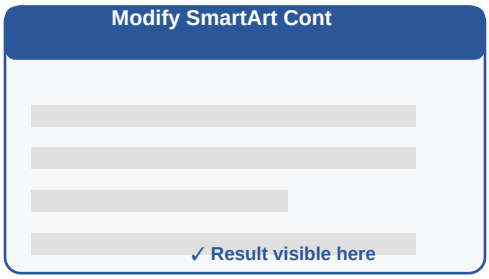
SmartArt

Your Task: Replace the placeholder text in the SmartArt with actual department names.

STEP-BY-STEP INSTRUCTIONS

1. Click the SmartArt to select it.
2. SmartArt Design tab → Text Pane (or click the arrow on the left side).
3. Type department names: Executive, Consulting, Finance, Technology, HR.
4. Or click directly in each shape and type.

WHAT THE RESULT LOOKS LIKE



The SmartArt boxes display the actual department names instead of placeholder [Text] labels.

7 Format SmartArt

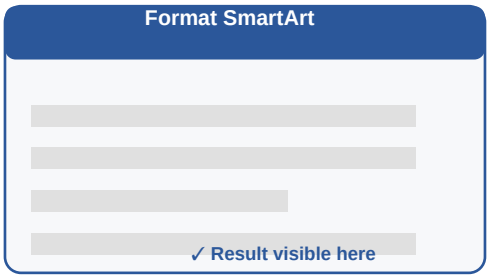
SmartArt

Your Task: Apply a colorful accent style to the organizational chart.

STEP-BY-STEP INSTRUCTIONS

1. Click the SmartArt to select it.
2. SmartArt Design tab → Change Colors.
3. Choose Colorful - Accent Colors from the Colorful section.
4. Also try styles in the SmartArt Styles gallery.

WHAT THE RESULT LOOKS LIKE



The SmartArt shapes display in multiple accent colors for a more visually engaging chart.

8 Insert Text Box

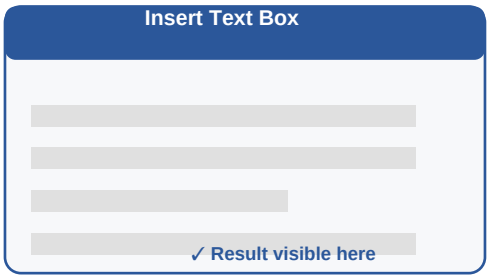
Insert →

Your Task: Add a text box on the cover page containing the report tagline.

STEP-BY-STEP INSTRUCTIONS

1. Insert tab → Text group → Text Box → Draw Text Box.
2. Draw a text box on the cover page by clicking and dragging.
3. Type: Driving Nevada's Business Success.

WHAT THE RESULT LOOKS LIKE



A text box appears on the cover page that can be moved and resized independently of the document text.

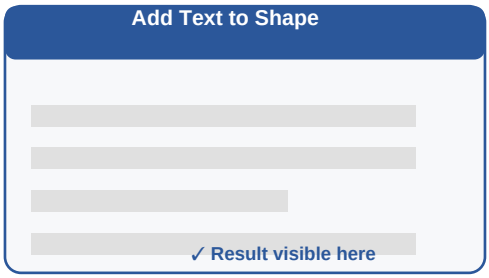
9 Add Text to Shape

Your Task: Insert a callout shape with a key revenue statistic inside it.

STEP-BY-STEP INSTRUCTIONS

1. Insert tab → Illustrations → Shapes → Callouts section.
2. Draw a callout shape on the page.
3. Start typing immediately: Revenue up 23% — $4.2M

WHAT THE RESULT LOOKS LIKE



A callout shape contains the statistic text. It can be resized, moved, and formatted with shape styles.

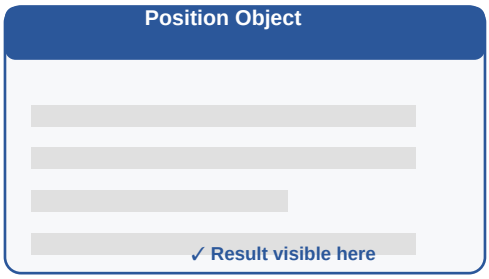
10 Position Object

Your Task: Position the callout shape in the right margin of the page.

STEP-BY-STEP INSTRUCTIONS

1. Click the shape to select it.
2. Picture Format tab → Arrange → Position.
3. Choose a right-margin position option from the gallery.
4. Or drag the shape to the right margin area.

WHAT THE RESULT LOOKS LIKE



The shape is anchored in the right margin. The text wrapping adjusts so document text flows around it.

11 Insert Icon

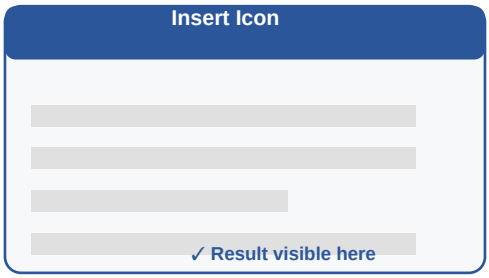
Insert →

Your Task: Insert a professional icon representing each department in the organizational section.

STEP-BY-STEP INSTRUCTIONS

1. Insert tab → Illustrations → Icons.
2. Search for a relevant icon (healthcare, technology, finance).
3. Click the icon → Insert.
4. Resize and position as needed.

WHAT THE RESULT LOOKS LIKE



A scalable vector icon appears that can be resized without quality loss and recolored to match the theme.

12 Add Alt Text

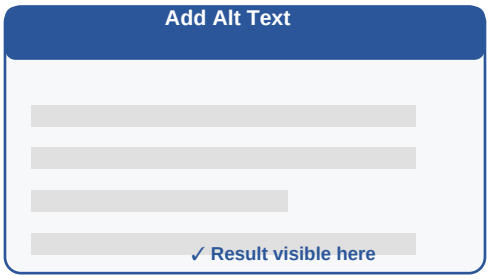
Right-clic

Your Task: Add descriptive alt text to every image and SmartArt in the document for accessibility compliance.

STEP-BY-STEP INSTRUCTIONS

1. Right-click the image or SmartArt.
2. Choose Edit Alt Text from the context menu.
3. Type a meaningful description of the image content.
4. Repeat for every image, SmartArt, and shape in the document.

WHAT THE RESULT LOOKS LIKE



The Alt Text pane shows the description. Screen readers will read this text for users who cannot see the image.

13 Insert Shapes

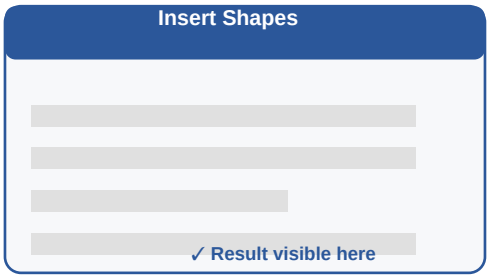
Insert →

Your Task: Insert a horizontal line shape as a visual divider on the cover page.

STEP-BY-STEP INSTRUCTIONS

1. Insert tab → Illustrations → Shapes.
2. Under Lines, choose Line.
3. Hold Shift while drawing to keep it perfectly horizontal.
4. Format color and thickness with Shape Format tab.

WHAT THE RESULT LOOKS LIKE



A clean horizontal line appears as a visual divider. Holding Shift ensures the line is perfectly straight.

14 Apply Shape Styles

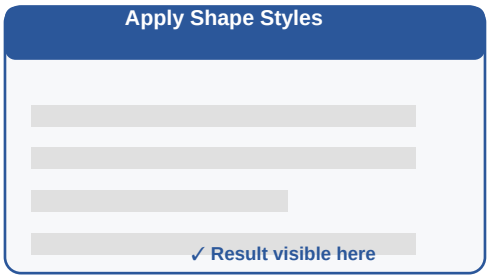
Shape Fo

Your Task: Apply the "Subtle Effect - Blue, Accent 1" shape style to the callout.

STEP-BY-STEP INSTRUCTIONS

1. Click the callout shape to select it.
2. Shape Format tab → Shape Styles group.
3. Hover over styles to preview.
4. Click Subtle Effect - Blue, Accent 1.

WHAT THE RESULT LOOKS LIKE



The shape takes on the chosen style with an appropriate fill, border, and shadow effect.

15 Insert 3D Model

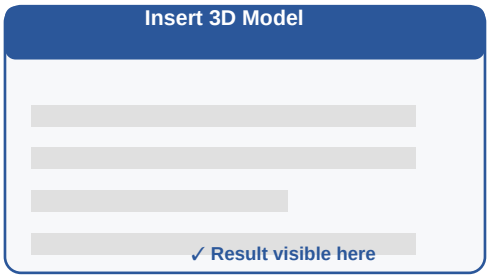
Insert →

Your Task: Insert a 3D building model to represent the Las Vegas office.

STEP-BY-STEP INSTRUCTIONS

1. Insert tab → Illustrations → 3D Models → Online Sources.
2. Search for: building.
3. Select a model → Insert.
4. Rotate by dragging the 3D rotation handle (circle icon in the center).

WHAT THE RESULT LOOKS LIKE



A 3D model appears that can be rotated 360° in any direction and resized freely.

16 Insert Screenshot

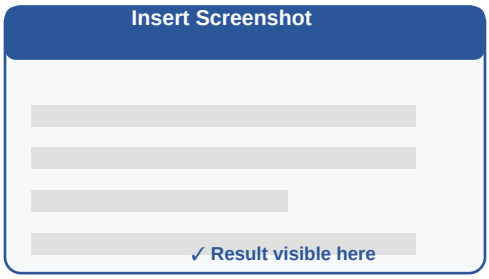
Insert →

Your Task: Capture a screenshot of an open window and insert it into the report.

STEP-BY-STEP INSTRUCTIONS

1. Make sure the target window is open (not minimized).
2. Insert tab → Illustrations → Screenshot.
3. Choose the window from the gallery.
4. Or click Screen Clipping to select a specific area.

WHAT THE RESULT LOOKS LIKE



A screenshot of the selected window appears in the document as an embedded image.

© Dr. Mark Taormino · All Rights Reserved · College of Southern Nevada

17 Insert Online Pictures

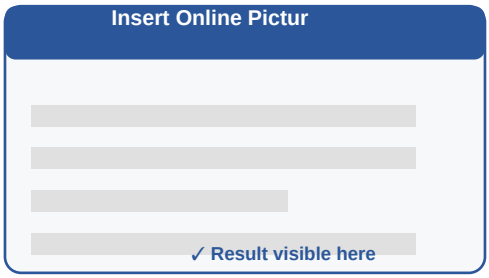
Insert →

Your Task: Insert a royalty-free stock photo of the Las Vegas skyline.

STEP-BY-STEP INSTRUCTIONS

1. Insert tab → Illustrations → Pictures → Online Pictures.
2. Type: Las Vegas skyline in the search box.
3. Browse Creative Commons results.
4. Select an image → Insert.

WHAT THE RESULT LOOKS LIKE



A royalty-free image appears in the document licensed for use and sourced directly through Word.

18 Insert Hyperlink

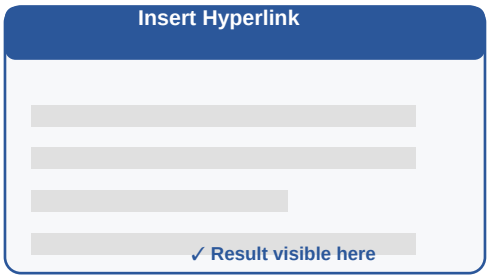
Insert →

Your Task: Add a clickable hyperlink to the company website URL in the document.

STEP-BY-STEP INSTRUCTIONS

1. Select the URL text in the document.
2. Press Ctrl+K (or Insert → Links → Link).
3. In the Address field type: https://www.desertsunconsulting.com
4. Click OK.

WHAT THE RESULT LOOKS LIKE



The URL text turns blue and underlined. Ctrl+click opens the link in a browser.
