IS101 — Introduction to Computing

Event Planning Proposal

Oasis Events · Unit 2 — Word Processing · Variation 2 · 100 points · 32 tasks

How to use this document: Download the starter file from the Project Grader, open it in Microsoft Word 365, and keep this sheet open beside it. Work through each task in order.

D1 — Manage Documents 21 points · 9 tasks

Task 1 2 points

Set 1-inch margins on all sides

WHY THIS MATTERS

Consistent margins give the proposal a clean, professional layout.

WHERE TO FIND IT

Layout tab → Margins → Normal (1" all sides).

HOW YOU'LL KNOW IT WORKED

The Margins dialog shows 1" on all four sides.

Task 2 2 points

Set orientation to Portrait

WHY THIS MATTERS

Portrait is standard for business proposals. The starter may be in Landscape.

WHERE TO FIND IT

Layout tab → Orientation → Portrait.

HOW YOU'LL KNOW IT WORKED

The page is taller than it is wide.

Task 3 2 points

Apply the “Lines (Stylish)” style set

WHY THIS MATTERS

This style set gives the proposal an elegant look with decorative line accents.

WHERE TO FIND IT

Design tab → Document Formatting group → Lines (Stylish).

HOW YOU'LL KNOW IT WORKED

Heading styles change to the Lines (Stylish) look.

Task 4 4 points

Insert a header with “Oasis Events” and a proposal number

WHY THIS MATTERS

A professional header identifies the company and document on every page.

WHERE TO FIND IT

Insert tab → Header → Edit Header. Type “Oasis Events — Proposal #2026-001” or similar.

HOW YOU'LL KNOW IT WORKED

Every page shows the company name and proposal number in the header.

Task 5 3 points

Insert a footer with company name, confidentiality notice, and page numbers

WHY THIS MATTERS
A footer with “Oasis Events · Confidential · Page X of Y” appears on every page.

WHERE TO FIND IT
Insert tab → Footer → Edit Footer. Type “Oasis Events · Confidential · Page ” then insert page number.

HOW YOU'LL KNOW IT WORKED
Every page shows the company name, “Confidential,” and page numbers in the footer.

Task 6 2 points

Insert page numbers in the footer

WHY THIS MATTERS
Page numbers help readers navigate the proposal.

WHERE TO FIND IT
While editing the footer → Insert → Page Number → Current Position.

HOW YOU'LL KNOW IT WORKED
Page numbers appear in the footer on every page.

Task 7 3 points

Add a light “PROPOSAL” watermark

WHY THIS MATTERS
A watermark identifies the document as a proposal draft.

WHERE TO FIND IT
Design tab → Watermark → Custom Watermark → Text: PROPOSAL → select a light color → OK.

HOW YOU'LL KNOW IT WORKED
“PROPOSAL” appears diagonally in light gray on every page.

Task 8 3 points

Set document properties: Title and Company

WHY THIS MATTERS
Metadata makes the proposal easy to find in shared drives.

WHERE TO FIND IT
File tab → Info → Properties panel. Set Title to “Corporate Gala Proposal 2026” and Author/Company to “Oasis Events.”

HOW YOU'LL KNOW IT WORKED
File {ARR} Info shows Title and Author populated.

Task 9 2 points

Find & Replace: “TBD” → specific venue details

WHY THIS MATTERS
The starter uses “TBD” as a placeholder throughout. Replace all occurrences with a real venue name, such as “The Venetian Las Vegas.”

WHERE TO FIND IT
Home tab → Replace (Ctrl+H). Find: TBD, Replace with: The Venetian Las Vegas (or any venue name you choose) → Replace All.

HOW YOU'LL KNOW IT WORKED
No remaining “TBD” placeholders in the document.

D2 — Format Text & Paragraphs 21 points · 6 tasks

Task 10 2 points

Apply the Title style to “Corporate Gala Proposal”

WHY THIS MATTERS

The Title style formats the document’s main heading.

WHERE TO FIND IT

Click on “Corporate Gala Proposal” at the top → Home tab → Styles → Title.

HOW YOU'LL KNOW IT WORKED

The title changes to a large, distinctive font.

Task 11 4 points

Apply Heading 1 to all six proposal sections

WHY THIS MATTERS

The six sections are: Executive Summary, Event Details, Services Included, Event Day Timeline, Budget Summary, and Vendor List.

WHERE TO FIND IT

Click each section name → Home tab → Styles → Heading 1. Repeat for all six.

HOW YOU'LL KNOW IT WORKED

All six section names share the Heading 1 look.

Task 12 4 points

Apply Heading 2 to the two subsections

WHY THIS MATTERS

The two subsections are: Proposal Overview (under Executive Summary) and Date and Venue (under Event Details).

WHERE TO FIND IT

Click each subsection name → Home tab → Styles → Heading 2.

HOW YOU'LL KNOW IT WORKED

Both subsection names use Heading 2.

Task 13 2 points

Set body text line spacing to 1.5

WHY THIS MATTERS

Line spacing of 1.5 makes the proposal easy to read. Apply this to the body paragraphs — the paragraphs under Executive Summary, Event Details, and other sections. Do not apply to headings, the title, lists, or table content.

WHERE TO FIND IT

Select the body paragraphs → Home tab → Line Spacing → 1.5.

HOW YOU'LL KNOW IT WORKED

Body text has visible spacing between lines; the Paragraph dialog shows 1.5.

Task 14 3 points

Apply text effects to the proposal title

WHY THIS MATTERS

Text effects like shadow, glow, or reflection add visual emphasis. Apply any text effect to “Corporate Gala Proposal” at the top of the document.

WHERE TO FIND IT

Select “Corporate Gala Proposal” → Home tab → Font group → Text Effects button (the “A” with glow) → choose Shadow, Glow, or Reflection.

HOW YOU'LL KNOW IT WORKED

The title has a visible shadow, glow, or reflection effect.

Task 15 4 points

Insert a section break before Budget Summary and change to Landscape

WHY THIS MATTERS

The budget table is wide and reads better in landscape. Insert a section break before it, then change that section's orientation.

WHERE TO FIND IT

Click just before "Budget Summary" → Layout tab → Breaks → Next Page. Then with cursor in the new section → Layout → Orientation → Landscape.

HOW YOU'LL KNOW IT WORKED

The Budget Summary section is landscape while the rest of the document stays portrait.

D3 — Tables & Lists 18 points · 6 tasks

Task 16 4 points

Convert the budget data to a 5-column table

WHY THIS MATTERS

The Budget Summary section has tab- or pipe-separated data. Convert it to a proper table. Select from the "Service" header row through the last budget row.

WHERE TO FIND IT

Select the budget data text → Insert tab → Table → Convert Text to Table → set the separator (Tabs or Other: |) → OK.

HOW YOU'LL KNOW IT WORKED

The budget data appears in a clean 5-column table.

Task 17 3 points

Merge the header row cells of the budget table

WHY THIS MATTERS

Create a spanning title across the top of the budget table.

WHERE TO FIND IT

Select the top row → Table Layout tab → Merge Cells.

HOW YOU'LL KNOW IT WORKED

The top row is one wide cell spanning all columns.

Task 18 3 points

Sort the vendor table by cost (ascending)

WHY THIS MATTERS

Sort the Vendor List table so the least expensive vendor appears first.

WHERE TO FIND IT

Click in the Cost column of the Vendor List table → Table Layout tab → Sort → Sort by Cost → Ascending → OK.

HOW YOU'LL KNOW IT WORKED

SoundWave AV ($8,500) appears at the top, Vegas Live Music ($15,000) at the bottom.

Task 19 2 points

Create a numbered list of the Event Day Timeline activities

WHY THIS MATTERS

The timeline items (4:00 PM — Vendor setup, 5:30 PM — Guest registration, etc.) should be formatted as a numbered list.

WHERE TO FIND IT
Select all the timeline items under “Event Day Timeline” → Home tab → Numbering.

HOW YOU'LL KNOW IT WORKED
Each timeline activity is numbered in sequence.

Task 20 2 points

Create a bulleted list of the services

WHY THIS MATTERS
The five service items under “Services Included” (Full event coordination, Catering, Audio/visual, etc.) should be bulleted.

WHERE TO FIND IT
Select the five service items → Home tab → Bullets.

HOW YOU'LL KNOW IT WORKED
Each service has a bullet (•).

Task 21 3 points

Change the bullet character on premium services to a custom symbol

WHY THIS MATTERS
Premium services deserve a distinctive bullet. Select the top three services (Full event coordination, Catering and bar service, Audio/visual and entertainment setup) and change their bullet to a custom symbol like a star (★) or diamond.

WHERE TO FIND IT
Select the three premium service items → Home tab → Bullets dropdown → Define New Bullet → Symbol → choose a custom character → OK.

HOW YOU'LL KNOW IT WORKED
The top three services show a distinctive symbol instead of a standard bullet.

D4 — References 12 points · 3 tasks

Task 22 4 points

Insert a Table of Contents

WHY THIS MATTERS
A TOC helps the client navigate the proposal quickly.

WHERE TO FIND IT
Click at the top of the document → References tab → Table of Contents → Automatic Table 1.

HOW YOU'LL KNOW IT WORKED
A TOC lists all sections with page numbers.

Task 23 4 points

Customize the TOC with dot leaders and right-aligned page numbers

WHY THIS MATTERS
Dot leaders connect each entry to its page number for easy scanning.

WHERE TO FIND IT
References tab → Table of Contents → Custom Table of Contents → Tab leader: dots → OK.

HOW YOU'LL KNOW IT WORKED
The TOC shows dotted lines leading to right-aligned page numbers.

Task 24 4 points

Insert a footnote on the pricing section

WHY THIS MATTERS

A footnote clarifies pricing terms. Click after any dollar amount in the Budget Summary and add a note like “Prices valid through December 2026.”

WHERE TO FIND IT

Click after a dollar amount in the Budget section → References tab → Insert Footnote → type the pricing note.

HOW YOU'LL KNOW IT WORKED

A superscript number appears after the amount, and the footnote appears at the bottom of the page.

D5 — Graphic Elements 18 points · 4 tasks

Task 25 4 points

Insert a venue floor plan image

WHY THIS MATTERS

The starter has a placeholder “[INSERT FLOOR PLAN IMAGE HERE]” in the Event Details section. Replace it with any image.

WHERE TO FIND IT

Delete the placeholder text → Insert tab → Pictures → choose any image file → Insert.

HOW YOU'LL KNOW IT WORKED

An image appears in place of the placeholder.

Task 26 2 points

Set text wrapping to Square on the floor plan image

WHY THIS MATTERS

Square wrapping lets text flow around the image’s rectangular boundary.

WHERE TO FIND IT

Click the image → Picture Format tab → Wrap Text → Square.

HOW YOU'LL KNOW IT WORKED

Text wraps neatly around the image.

Task 27 4 points

Insert a text box with the Oasis Events tagline

WHY THIS MATTERS

The starter has a placeholder “[INSERT TAGLINE TEXT BOX HERE]” near the top. Replace it with a text box containing a tagline like “Creating Unforgettable Experiences.”

WHERE TO FIND IT

Delete the placeholder → Insert tab → Text Box → Draw Text Box → type your tagline.

HOW YOU'LL KNOW IT WORKED

A text box with the tagline appears near the top of the document.

Task 28 8 points

Add alt text to all graphics

WHY THIS MATTERS

Every image, shape, and text box needs alt text for accessibility.

WHERE TO FIND IT

Right-click each visual element → Edit Alt Text → type a description. Do this for every image and text box.

HOW YOU'LL KNOW IT WORKED

Right-clicking any graphic shows your description in the Alt Text pane.

D6 — Collaboration 11 points · 4 tasks

Task 29 2 points

Add a comment on the budget table

WHY THIS MATTERS

Comments let you flag items for review without changing the content.

WHERE TO FIND IT

Click in the budget table → Review tab → New Comment → type a note about the budget.

HOW YOU'LL KNOW IT WORKED

A comment bubble appears connected to the budget table.

Task 30 2 points

Reply to the existing comment from the sales manager

WHY THIS MATTERS

The starter contains a comment from the sales manager asking to confirm the catering budget. Reply to it.

WHERE TO FIND IT

Click the sales manager's comment → Reply → type your response.

HOW YOU'LL KNOW IT WORKED

Your reply appears indented under the sales manager's comment.

Task 31 3 points

Add a comment confirming the budget item has been approved

WHY THIS MATTERS

A confirmation comment creates an audit trail showing the budget was reviewed.

WHERE TO FIND IT

Select a budget line item → Review tab → New Comment → state that the item has been approved.

HOW YOU'LL KNOW IT WORKED

A comment connected to a budget item states the approval.

Task 32 4 points

Enable Track Changes and revise contract terms

WHY THIS MATTERS

Track Changes records every edit so the client can see what was modified.

WHERE TO FIND IT

Review tab → Track Changes (toggle on) → make at least one edit to the proposal text (e.g., change a date, adjust a service description).

HOW YOU'LL KNOW IT WORKED

Your edit appears in a different color with markup showing the change.
